#### Synopsis of Probable Cause:

This affiant stated to the court that on this the 9<sup>th</sup> day of July, 2016, the defendant did knowingly and feloniously violate the above LRS 14:97 Simple Obstruction of a Highway of Commerce in that they intentionally placed themselves in the road thus rendering movement there on more difficult. This occurred within the city of Baton Rouge, Parish of East Baton Rouge.

To Wit: On the above listed date numerous BRPD officers were assigned to provide security for a planned, peaceful protest at 9000 Airline Highway. The protesters were assembled in the parking of the Circle K at 9110 Airline. Via police loud speaker protesters were advised to remain on private property and on the curb. They were also notified to stay out of the roadway and to not impede the flow of traffic. These announcements were made frequently via loud speaker and via individual police on the scene.

During the protest, the defendant entered the roadway and was provided another verbal order to exit the lanes of travel. Moments later, the defendant entered the roadway again and was taken into custody by officers on scene without incident.

The defendant was placed under arrest (doublelocked) and advised of their rights per Miranda. They were transported to EBR jail and booked accordingly.
